

Our Greatest Generation

They Were Rosies

THEY were ROSIES

They were daughters, mothers, sisters, wives, and grandmothers.

THEY were Rosies

They worked as riveters, buckers, sanders, welders, crane operators, bus drivers, uniform makers, bullet makers, parachute folders, clerical workers, shipyard workers, assembly line workers, Red Cross so much more.

THEY were Rosies

They came from all over our country. They came from small towns and big cities. They came from Washington to Florida, from Michigan to Texas, from Maine to California and everywhere in between.

THEY were Rosies

*They were teenagers, young adult to senior citizens.
They came together with one purpose, to help win the war.
They build 80,000 landing craft, 100,000 tanks, 300,000 aircraft,
15,000,000 guns and 41,000,000,000 rounds of ammunition.*

THEY were Rosies

They were more than women working together. They had to raise their children and worry about their loved ones overseas.

THEY were Rosies

After all these years, will anyone remember that...

They were Rosies

Yes, we at AMERICAN ROSIE THE RIVETER ASSOCIATION do!

THAT is why we thank and honor them today.
