## Happy New Year!

This phrase, Happy New Year, has probably been said to you many times already in 2007, and you have probably said it yourself. I decided to see what the dictionary says about these words and what they really mean.

*Happy*—having or showing pleasure

*New*—has existed for a short time; not yet old

*Year*—the period of time as measured by the Gregorian Calendar, in which the Earth completes a single revolution around the sun, consisting of 365 days, 5 hours, 49 minutes, and 12 seconds of mean solar time, divided into 12 months, 52 weeks, and 365 or 366 days, beginning on January 1 and ending on December 31.

So — your Happy New Year greeting actually means: "Enjoy and show pleasure in this short time that has never before been created and consists of a single revolution of the Earth around the sun, made up of 365 days, 5 hours, 49 minutes, and 12 seconds!" In short, *Happy New Year!*

# CHAPTER CHATTER

## Some “giblets” from reports by Chapter Presidents

**Sun City, AZ** (Kay Carroll, reporting President): Speakers’ topics: “Getting Your Family Affairs in Order”; “Hollywood Goes to World War II” (movie stars’ activities to help win the war); “Hobby Day” (share and tell); “How to Sell Items on E-Bay.” Other activities: collecting dues, drawing for Valentine mugs of candy at each table, distributing new rosters, selling Rosie books to get money for chapter treasury, planning upcoming picnic. Whew! Get any ideas from all that?

**Clarksville, GA** (Nell Young, reporting President): They call themselves “The Rosies of Habersham County.” This chapter was founded when Nell and three other people met and elected themselves officers. They spread the word by mouth and otherwise, and at the next meeting there were 18 present. They had the chartering ceremony, installed officers, and have been going strong ever since!

**Baltimore, MD** (Mary Nichols, reporting President): They have already planned activities and meetings into December, 2007. They have made a list of 200 Rosie prospects for the chapter in the Baltimore area, and have made a CD of Rosies telling stories. A professor in the area is making a video documentary for the chapter to view. They sometimes have luncheon meetings at Lockheed Martin’s airport (free meeting room) with a tour of Lockheed’s museum. Activities include speakers, fund raising, music, with meetings sometimes lasting from 10:00 a.m. to 3:00 pm.!

**Cincinnati, OH** (Donna Spillman Smith, reporting President): They meet monthly at Llanfair Retirement Community, where they are treated to a free super lunch each time. Most members come in from outside the retirement community. Nancy Thomas, Events Coordinator at Llanfair, helped to found the chapter and serves as Chapter Advisor. Mary Womack, Vice President, is locating people (veterans and Rosies) for Registry of Remembrance at the WW II Memorial in Washington. (If

anyone else would like information on how to do this, check our Rosie Web site at [www.rosietheriveter.net](http://www.rosietheriveter.net).)

**Sweet Home, OR** (Janet Blankenship, reporting President): This chapter took a BIG part in the Albany Veterans Day Parade.

**Caldwell County, TX** (Carol Peters, reporting President): This chapter wrote a resolution and brought it to the ARRA Convention in Wichita last year, calling on all ARRA members to support the troops, both at home and abroad, in conjunction with the 65<sup>th</sup> anniversary of Pearl Harbor (1941 to 2006) and the 5<sup>th</sup> anniversary of 9-11 (2001 to 2006).

**Oklahoma City, OK** (Kate Grant, reporting President): This chapter reported a great meeting in November, with Rosies from other parts of the state attending. They signed up four new members. Rivet Mel Grant was the speaker for the occasion.

**Birmingham, AL** (Lucy Lewis, reporting President): For the first time, this chapter participated in Birmingham’s Veterans Day Parade, which is the oldest and largest Veterans Day Parade in the nation. The ARRA chapter had three cars in the parade, all appropriately decorated, including a convertible and driver provided by Town and Country Ford. The other cars were driven by Eleanor Hobby, Alabama State Director, and a local Rivet. Riders in the cars included two 3-generation sets of Rosies, daughters, and granddaughters. This chapter is teaming with National ARRA to maintain a permanent ARRA display at the Southern Museum of Flight.

Thanks a million to all the chapters who got their reports in before the newsletter publishing deadline. Sorry the deadline caught the rest of the chapters—we’ll look forward to hearing from you next time! The next deadline for news for the *Mail Call* is **April 1**.

### NOTE THIS . . .

Dr. Floreine Hudson, past National President and current Awards Chairman, has had two stays in the hospital recently, for three aneurisms and a fall. She is home now, but wishes to be relieved of her position as Awards Chairman. We accept her resignation with regrets, but with understanding. *Thanks, thanks, Dr. Hudson!* Her address is 121 Kings Bridge, Atlanta, GA 30329, if you want to

### HOW ABOUT BEING AN OFFICER??

At the Convention in Atlanta, we will elect a President, Vice-President, Secretary, and Treasurer. Since we are scattered all over the country and often don’t know each other, the Nominating Committee needs to know who is available, willing, and able to serve. We also need appointed officers, such as State Directors and those offices listed on page 2. If you are interested or would like to nominate someone, please send the name to Lillian Graff-Turjanica (see page 2 for address) by **May 1**.

We made two mistakes in the Fall 2006 issue of the *Mail Call*. Kay Carroll is the President of the Sun City, AZ chapter, not Betty Hill. Betty moved to Madison, AL some time ago! Sorry, Kay. Also—Jo Thomas, our Data Base Administrator, has the zip code of 35124, not 35214. Sorry, Jo.
