A Philosophy of Life for All of Us!

A 92-year-old, petite, well-poised and proud man, who is fully dressed each morning by 8:00, with his hair fashionably coifed, and shaving lotion perfectly applied, even though he is legally blind, moved to a nursing home today. His wife of 70 years recently passed away, making the move necessary. After many hours of waiting patiently in the lobby of the nursing home, he smiled sweetly when told his room was ready.

As he maneuvered his walker to the elevator, I provided a visual description of his tiny room, including the eyelet sheets that were hung on his window.

"I love it," he stated with the enthusiasm of an eight-year-old having just been presented with a new puppy.

"Mr. Jones, you haven't seen the room; just wait."

"That doesn't have anything to do with it," he replied. "Happiness is something you decide on ahead of time. Whether I like my room or not doesn't depend on how the furniture is arranged . . . It's how I arrange my mind. I already decided I love it. It's a decision I make every morning when I wake up. I have a choice; I can spend the day in bed recounting the difficulty I have with the parts of my body that no longer work, or get out of bed and be thankful for the ones that do.

"Each day is a gift, and as long as my eyes open, I'll focus on the new day and all the happy memories I've stored away just for this time in my life.

"Old age is like a bank account. You withdraw from what you've put in."

Though the author of this story is unknown, the philosophy is a great idea, don't you think?

Kick-Off for Rosie Monument

Our national President, Sadie Holt, has declared this 9th Convention as the Kick-off Time for starting a fund-raising movement for a Rosie monument to some day be placed in Washington, D. C.

Sadie is asking on behalf of the Association that members, relatives, and friends join in the effort by making a contribution to this Monument Fund. Donations and pledges may be sent to Mabel Myrick, Treasurer, P. O. Box 188, Kimberly, AL 35091. Be sure to designate the gift for the Monument Fund. Donations may also be made at the Convention.

Also, Sadie asks that each person bring to the Convention a gift of some sort (jewelry, purse, bedroom shoes, etc.) neatly wrapped, to be auctioned off for the Fund. The American Rosie the Riveter Association is recognized by the IRS as a non-profit organization, and contributions to it may be deducted for income tax purposes.

Sadie says, “Wear your big smile and help in this big cause of purchasing land and building a Rosie monument in Washington. We're moving on . . .”

We can STILL do it!

Our 4th Book Has a Name Change

The *Rosie Romances* story book (that we hope to publish soon) is now named *Rosie Romances and Other Stories*. That's because only about 20 of us felt romantic enough to send in a story about our war-time romances! So we're expanding the scope, and we need your story, romantic or not, about your experiences during World War II. If you already have a story published in one of our other books, this one must be different.

Rosebuds and Rivets, you may send us a story about your Rosie.

All stories will be published, but you must follow these rules:

- All authors must be ARRA members.
- Stories must be typed and double-spaced.
- Send one or two clear photographs, preferably one "then" and one more recently. Photographs will be kept for Archives.
- Word limit with one picture is 450 words; or 350 words with two pictures. Try to make the total word count near the word limit, to avoid blank space on the page.
- You must include a **signed statement**, "I give permission for this story to be published by ARRA."

You will receive an author's discount to purchase books when they are published, so do not send any money with your story. Please wait patiently; publication will take about four months after we receive the 100th story.

Send story, pictures, and permission statement by mail (no e-mails) to:

**Mrs. Lucy Lewis
1013 Liberty Park Loop
Vestavia Hills, AL 35242**
